

## **MANUAL FOR 3MDRIVERS DRIVER IDENTIFIERS:**

To make an ID, we will need:

- One Photo as for 35mm/45mm ID/passport
- Photocopy of the Driver's License
- Photocopy of medical examinations
- Photocopy of psychotests
- Original Certificate of no criminal record not older than 30 days!

For People from Abroad You Will Need:

- The same documents + Certificate of no criminal record from their country and If they stay in Poland for less than 6 months certificate.

If a person from outside the union is a certificate of origin from which the original in PL comes, this benefit must not be older than 30 days! (instruction on how to obtain a certificate for the certainty of Ukraine [LINK](#) )

If they are in Poland for more than 6 months, they should have their Driving License listed for Polish.
